

Requirements to the photo for the accreditation card

- 1.1. Requirements to the photo for the accreditation card:
 - 1.1.1. The personal photo for the accreditation card must comply with the following requirements:
 - 1.1.1.1. The photo is taken in color.
 - 1.1.1.2. For uploading to the EXPO-2017 Accreditation System, the photo must be in the formats of: .gif, .jpg or .png; the maximum size of the file must not exceed 512Kb, the photo aspect ratio must be 4:3.
 - 1.1.1.3. The facial image must cover 70-80% of the whole photo
 - 1.1.1.4. The photo must be taken not earlier than six months ago.

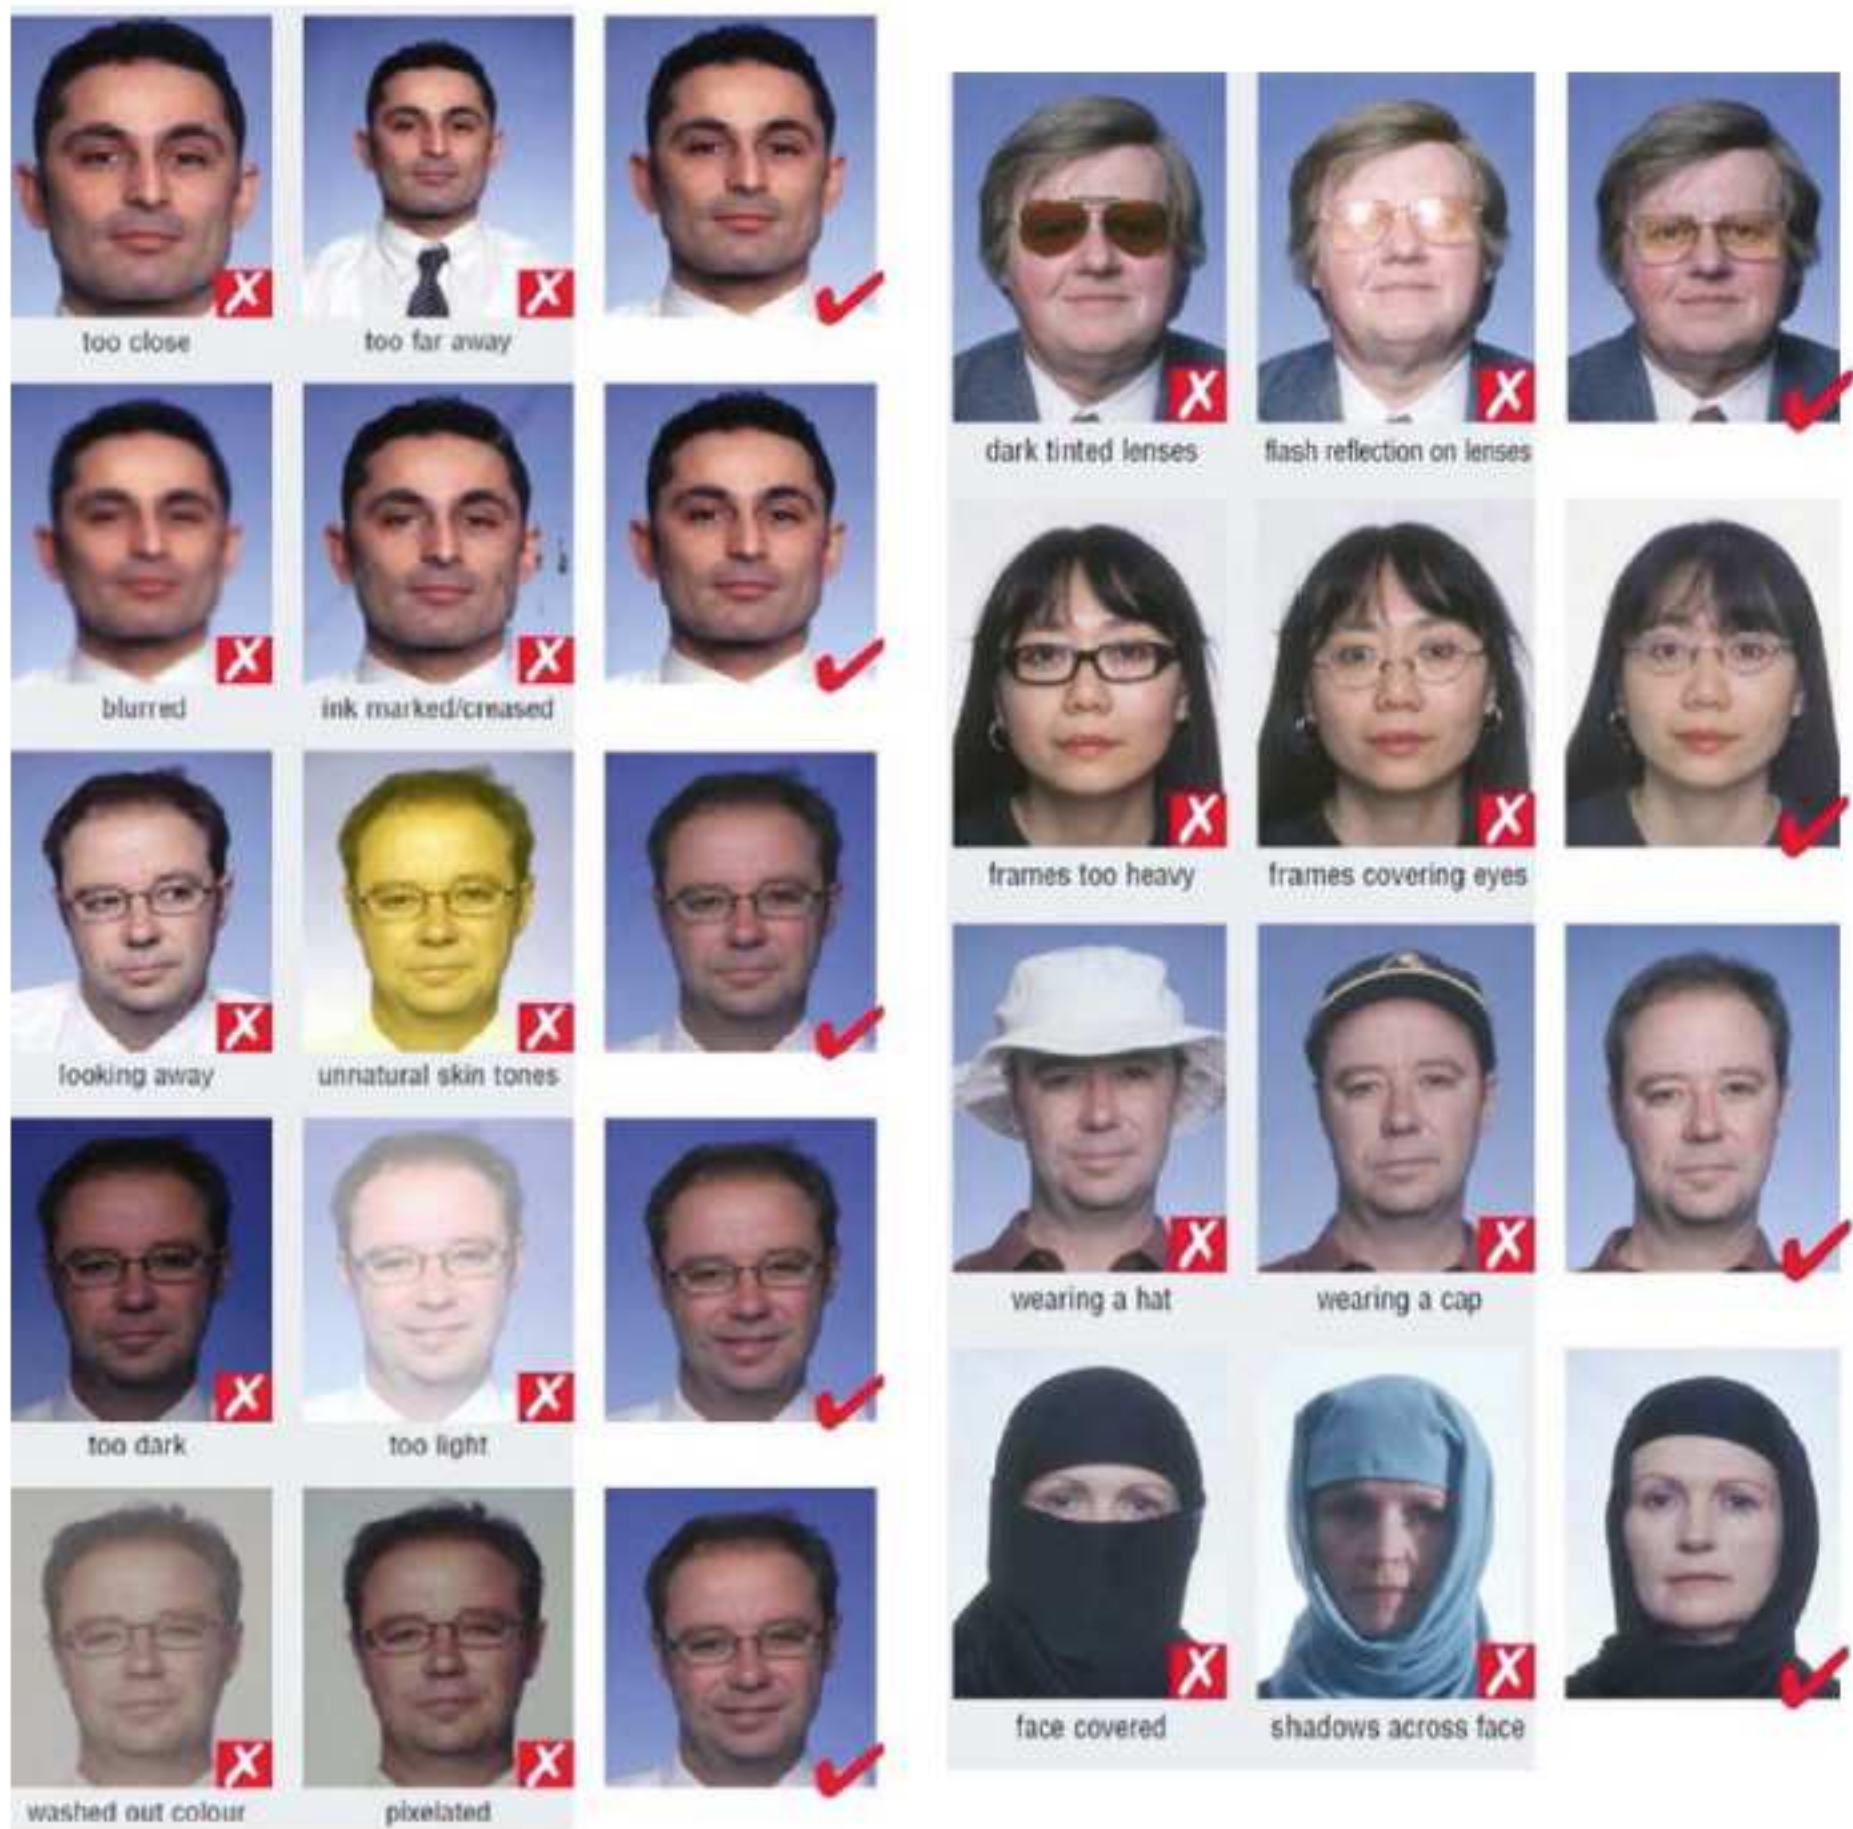

The basic parameters of the personal photo:

1.3. Requirements to the position of person:

- 1.3.1. The person being photographed must stay in frontal position, eyes opened, mouth closed, facial expression neutral, the face must be fully in focus.
- 1.3.2. The number of persons on the photo: not more than one.
No images of a back of chair, toys or other objects must be present.
- 1.3.3. The background must be single-colored.
Up to 18%% of gray or light-blue tint is recommended.
Yellow, red or other colored lighting is forbidden.
- 1.3.4. The face must be evenly lighted.
The face and eyes must be clearly visible and free of shadows.
There must not be bright spots on the photo. The red-eye effect is not admitted.
- 1.3.5. Submission of photos with a head-wear not hiding the facial contours is admitted for the persons whose religious commitments do not allow them to show in public without head-wear (constant wearing of head-wear is an obligatory attribute of their national or religious identity), under the condition that the person's image on the photo in the passport wears such a head-wear.
- 1.3.6. For the persons constantly wearing spectacles, it is admitted to take a photo in spectacles without smoked glass.
The spectacles must have clear and transparent glass (without smoking), so that the eyes be clearly visible. The spectacle rim must not cover the eyes.
The spectacles must not produce flecks.
- 1.3.7. Eye patches are admitted only on health grounds provided that the person wears such an eye patch on the photo in the passport.
- 1.3.8. Editing of the colored image with the purpose of image refinement is not admitted.
